

Orchids and Onions NOMINATIONS SOUGHT

Keep Peoria Beautiful is accepting nominations for **Orchids and Onions**, the annual awards for the best kept and most unkempt Peoria business properties.

Orchid nominations should be given to businesses that have done an outstanding job in landscaping and/or site beautification. Consideration will be given to both new and established properties.

Onions are for businesses that are eyesores in the community.

Also, remember to nominate a homeowner or neighborhood for our **Iris Award**. This is for outstanding landscaping and beautification of their home and gardens as viewed from the street.

The nomination deadline is Wednesday, June 30.
Awards will be announced in September.
