

Orchids and Onions **nominations sought**

Public nominations are being accepted for Orchids and Onions, the annual awards for the best kept and most unkempt Peoria business properties.

Keep Peoria Beautiful has been bestowing these honors and dishonors for over 40 years.

Public and private non-single family residential properties eligible for an Orchid should have undertaken a project representing an outstanding job in landscaping and/or site beautification. Both new and established properties will be considered.

Onions are for businesses that are visual blights in the community.

And remember our Iris Award. You may also nominate a homeowner, or neighborhood, for outstanding landscaping and beautification of their home and gardens.

Nominations can be made by clipping this box or writing on a separate sheet of paper.

Business ORCHIDS Address

Business ONIONS Address

Homeowner IRISES Address

Nominations must be received by Tuesday, June 30.

Awards will be announced in September.
